

Allure Collection

DECORATIVE LAMINATE VENEER PRODUCTS

Conestoga's collection of Decorative Laminate Veneer products has evolved to a new level of visual appeal. Taking full advantage of the latest lamination technology and cost-effective, state of the art materials, this exciting selection includes some of the most extraordinary transitional wood grains, solids and textures. With something for everyone, the new Allure DLV program includes 22 inspired door styles with three engaging textures, 13 modern colors, and improved durability to easily handle the wear and tear of modern living.

Alluring Textures

Textural effects from satin smooth solid colors, to natural wood grains, to deep and dramatic registered and indexed embossing can only be described as simply captivating. Our expanded product offerings have taken the look and feel of these textures to a new level of alluring, especially our deep embossed selection, which uses a revolutionary double sided embossing process to create an extraordinary look that is taking the industry by storm!

Pure Practicality

While looks are important, in day-to-day living they aren't everything. That's why the practical side of Allure is as appealing as it is beautiful. Allure DLV products are engineered for dimensional stability, so no worries about expansion and contraction that occur with solid wood products. Durability is always a concern, but not with Allure, as it exceeds KCMA and NEMA scratch and dent resistance standards. Will it fade or darken over time? Proven UV protection ensures reliable colorfastness for lasting beauty, as well as the ability to incorporate future additions or replacements seamlessly. And when the going gets hot, consider that Allure's heat resistance has been oven tested up to 200°, with no delamination.

Household Safe and Green

Homeowners are concerned about the health and safety in their homes, and of course, for the environment. Allure products are perfect for not only the home, but for institutional and commercial settings as well. Most framing and moulding material for Allure doors and drawer fronts are treated with an antimicrobial agent that inhibits the growth of mold, mildew and bacteria for the life of the product! And it is sealed to diminish formaldehyde off-gassing. Its reclaimed and recycled substrate materials are TSCA and CARB compliant, and qualify for LEED credits.

Daytona 225

Complementary Products

Veneers

- Material price per 48-1/2" x 96-1/2" full sheet:
 - \$75.00 – Bright White, White Dove
 - \$120.00 – Coffee Groovz, Concrete Groovz
 - \$139.00 – Ashen Grey
 - \$156.00 – Canadian Grey, Silva, Skye, Zahara
- Material price per 60" x 96-1/2" full sheet:
 - \$165.00 – Monaco, White Chocolate
- PSA option – \$75.00 per panel plus veneer price. Add 3 day lead-time.

Edgeband Rolls

- Material price per 300 ft. long x 23.8mm wide roll:
 - \$65.00 – Bright White, White Dove
 - \$79.00 – Ashen Grey, Canadian Grey
 - \$89.00 – Coffee Groovz, Concrete Groovz, Silva, Skye, Zahara
 - \$99.00 – Monaco, White Chocolate

Cut To Size Panels (6mm)

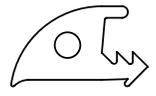

- Design charge: \$5.00
- Material price (per sq. ft.):
 - \$5.25 – Ashen Grey, Canadian Grey, Coffee Groovz, Concrete Groovz, Monaco, White Chocolate
 - \$5.75 – Bright White, White Dove
 - \$6.50 – Silva, Skye, Zahara
- Min. panel size: 2-3/4" x 2-3/4". Max. panel size: 48" x 96", except Bright White and White Dove: 37" x 78".
- Oversize packaging charge – \$24.95 per panel applies when dimension exceeds 36" wide and 36" long, or exceeds 84" wide or 84" long.

Full Sheets (6mm)

- Material price per 48" x 96" full sheet:
 - \$95.00 – Ashen Grey, Canadian Grey, Coffee Groovz, Concrete Groovz, Monaco, White Chocolate
 - \$125.00 – Silva, Skye, Zahara
- Material price per 37" x 78" full sheet:
 - \$79.00 – Bright White, White Dove
- Oversize packaging charge – \$24.95 per panel

Frame Only Doors

- Available in all Allure program door designs (except Daytona, Delray, Melbourne and Roma) and colors, frame only doors now come with a flexible grey glass retainer moulding developed to conceal the MDF substrate exposed when the back of the door is routed to accept glass. Painting of the exposed MDF is no longer necessary as the retainer moulding covers both vertical and horizontal routed surfaces.
- Pricing of all DLV frame only doors will be calculated using the door design charge, plus the actual exterior door dimension square footage; the same calculations used for doors containing center panels. In addition, the following upcharge must be added:
 - 1.0 to 4.0 sq. ft. – \$5.50 list
 - 4.01 to 7.0 sq. ft. – \$7.75 list
 - 7.01 and larger – \$12.00 list

5-Year Limited Warranty

For a period of 5-years from the date of shipment, Allure products will be reasonably free of defects in materials and workmanship. When properly handled, Allure products will conform, within acceptable tolerances, to applicable manufacturing specifications. This limited warranty applies only to those Allure products which are stored, handled, and installed in the manner consistent with Conestoga's wood components. Conestoga will not be responsible or liable for any indirect, consequential or incidental damages or cost sustained by the user.

Product Care

Allure DLV products should be cleaned using a mild non-abrasive detergent and damp sponge or cloth. Avoid using abrasive cleaners, brushes, rags or cloths and never saturate DLV products with water or other liquids.
