WOOD RANGE HOODS

THE PERFECT BLEND OF BEAUTY AND FUNCTION

In the hands of a true craftsman, the full beauty of natural hardwood is blended with the functionality of quality design. Your kitchen can be a showcase of your style with the addition of a custom-designed wood range hood.

S - Series

The simple beauty of the S-Series is found in its versatility. Whether you are looking for a quiet statement of your style or a more obvious complement to your custom cabinetry, this series meets your needs.

Q - Series

The Q-Series is simple elegance, it can be dressed up or dressed down to suit your personal style. *Shown with bracket corbels.*

W - Series

Craftsmanship never goes out of style. The W-Series is a modern version of the quality and warmth found in the homes of the past. *WRA series with Acanthus corbels and pull-out spice racks shown.*

L - Series

Similar to the O-Series, the L-Series takes a step beyond your expectations of style. This artistic series arouses a sense of architecture that is designed not only to withstand the test of time but also to remain a classic beauty. *LABT with Acanthus corbels is shown.*

X - Series

X-Series is very versatile; it has the look of a big mantel hood, but faux columns allow it to be built in smaller sizes. *X is shown with PRW3 corbels*

O - Series

The O-Series is a combination of a hearth-style mantel range hood with the added ambiance of ornate beauty. This series was designed to fulfill your desire for both atmosphere and style. *OABT with Acanthus corbels and pull-out spice rack is shown.*

R - Series

R-Series is a classic hood with options that enable it to highlight many styles from traditional to contemporary. *RRP is shown.*

H - Series

The hearth-style H-Series makes a bold statement of strength and craftsmanship. Not only does this style showcase your love for the natural beauty of hardwood, but it allows you to easily display your taste on the generous mantel space. *HRA shown with Traditional corbels.*

H2 - Series

The 6" columns of the H2-series help you conserve valuable space in your kitchen. Many looks and styles can be achieved by adding corbels or optional Sorrento hood supports with built-in spice racks. *H2RA is shown.*

N - Series

The N-Series includes a substantial mantel shelf and room for corbels of your choice. *NRA is shown with Acanthus Corbels and classic molding option.*

M - Series

M-Series is a mantel hood which will fit into many different styles of kitchens by varying the door style and corbel choice. *MPPC is shown.*

U - Series

U-Series is a classic mantel hood with a generous display area; it is sure to make a statement in any kitchen.

Shown with optional Sorrento hood supports with built-in spice racks and traditional corbels.

A - Series

The A-Series range hood brings an added dimension to mantel hoods with an artistic flair and arched style. This series is a sure way to make a statement of your distinctive taste and attention to style.
