# Quiet closing — every time

BLUMOTION for doors offers the same quality of motion as drawer systems with BLUMOTION. Each time a door is closed your customer will be reminded of the exceptional quality of their cabinets. BLUMOTION for doors quiet closing feature is quick and easy to install and once installed, creates a quiet close, every time.

BLUMOTION redefines the term "quality of motion"

- Silent and effortless closing every time
- Automatically adjusts to the closing force of the door
- Simple program accommodates a wide variety of application for both face frame and panel cabinets
- Design possibilities — can be used on wood and aluminum doors
- The integrated overload safety feature protects the BLUMOTION system from damage through abuse
- Variety of attachment options
- Designed for use with Blum hinges

## BLUMOTION 973A for CLIP top and CLIP hinges

- BLUMOTION mechanism attaches directly to the hinge arm
- Simple, tool-free attachment
- Automatically adjusts to the closing force of the door
- Designed for one BLUMOTION per self-closing hinge (quantity may vary depending on door size and weight)

## BLUMOTION 971A for COMPACT hinges

- BLUMOTION attaches anywhere on the hinge-side of a face frame cabinet
- Applications for full and partial overlay
- Spacer required for partial overlay
- Adjustable to various door sizes and weights
- Designed for one BLUMOTION per door (quantity may vary depending on door size and weight)

## BLUMOTION 971A for Euro hinges

- BLUMOTION attaches directly to the hinge-side panel centered between two hinges
- Various mounting options — wing, face frame and in-line
- Adjustable to various door sizes and weights
- Designed for one BLUMOTION per door (quantity may vary depending on door size and weight)

## BLUMOTION 970A for Euro hinges

- BLUMOTION installs into the top and bottom panel or with adapter plates on hinge-side
- Various mounting options for face frame and panel cabinets
- Automatically adjusts to the closing force of the door
- Designed for two BLUMOTION per door (quantity may vary depending on door size and weight)
