Door Styles

QuikCAB is offered in three distinct door styles. All three share the same all-plywood cabinet box construction — the door style differentiates the visual presentation.

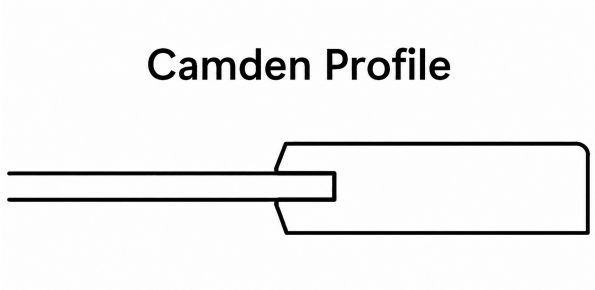

Camden — Full Overlay Shaker Doors and Drawer Fronts

Camden features a full-overlay shaker-style door and 5-piece drawer front. Clean, flat recessed center panel with wide frame delivers timeless appeal across contemporary, transitional, and traditional kitchen designs. Camden is QuikCAB's most versatile style.

Standard Finishes: Snow Cap White · Dove Grey · Natural Sand · Graphite Slate · Dark Espresso · Alabaster White · Unfinished

Accent Colors (Base Cabinets Only): Soft Sage · Coastal Navy

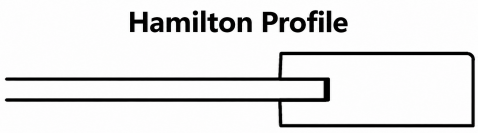

Hamilton — Partial Overlay Shaker Doors with Slab Drawer Fronts

Hamilton features a partial-overlay shaker-style door and slab drawer front. The partial overlay design reveals a portion of the face frame, giving Hamilton a traditional, furniture-like quality. Available in four classic finishes.

Available in: Snow Cap White · Dove Grey · Graphite Slate · Dark Espresso

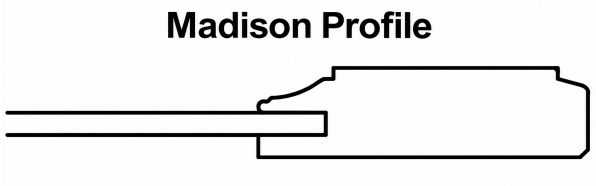

Madison — Full Overlay Transitional 5-piece Doors and Drawer Fronts with Decorative Edge Detail

Madison features a full-overlay transitional door and drawer front with distinctive decorative panel bead detail. A graceful balance between traditional and contemporary aesthetics. Available in two curated finishes.

Available in: Snow Cap White · Graphite Slate
